The Paulding County Hospital Foundation Scholarship is to be awarded to qualified candidates annually to Seniors from Antwerp High School, from Paulding High School, and from Wayne Trace High School, who are planning to pursue an advanced degree in healthcare. Home-schooled students will also be eligible and will be placed in one of the three districts according to their addresses. The scholarship is to be used for the financial assistance of a student in post-secondary healthcare education.

The criteria and selection process are as follows:

1. The award will be made jointly to the student and to the registrar of the post-secondary educational institution.
The scoring of the Applications is done anonymously. The selection committee will take a combination of the following factors into consideration (not in order of importance):
 - Fully articulated college plans, enrollment status, college finance plans
 - Evidence of health-related field with description of interest in the field
 - Neatly written or typed application with proper grammar
 - Health-related shadow/observation experience
 - Explanation of interest in the health-care field
 - Extracurricular/work/volunteer activities
 - GPA, class rank, course selection, school attendance
 - Student Evaluation Forms
 - Quality of the Interview (for those qualifying to the Interview Round)

2. The recipient must have at least a B (3.0) cumulative grade point average.
 3. The recipient must intend to continue his/her education in a healthcare field (for example: nursing, medical school, laboratory technician, radiology, respiratory technician, physical therapy, etc.)
 4. **The successfully completed application packet will include:**
 - The completed application form
 - A student evaluation form completed by the Science teacher of the applicant's choice.
 - A student evaluation form completed by the Guidance Counselor
 - A high school transcript through seven semesters
- Note: The student/applicant is responsible for collecting the documents required in the application.*
5. A representative of the PCH Foundation shall present the scholarship to the student.
 6. **The amount of the award for students is \$1,000 per school.** However, if there are no applications from a school, or the applications submitted are not of acceptable quality, the Foundation may choose not to award a student scholarship to that school for that year. All scholarships are a one-time award.

Applications MUST be received by the Executive Director on or before March 19, 2021. Applications received after this date will NOT be processed.
