HEALTH CARE

Close to Home!

PAULDING COUNTY HOSPITAL FOUNDATIONS CAMPAIGN TO RAISE AND MATCH DONATIONS UP TO \$25,000 TOWARDS A NEW CT MACHINE AT PAULDING COUNTY HOSPITAL.

PAULDING COUNTY HOSPITAL
FOUNDATION

WWW.PCHOSPITALFOUNDATION.ORG

YOU CAN MAKE A REAL *Difference!*

Giving is not just about making a donation, it's truly about making a real difference in our community! Communities that are served by a strong local hospital, where high quality health care is readily available, play a major role in the health, social and economical vitality of the county and surrounding area. Please join us in our mission to raise funds for a new CT-Scan machine for Paulding County Hospital. The Paulding County Hospital Foundation is willing to **match donations up to \$25,000!**

THE NEW CT MACHINE WILL BENEFIT PAULDING COUNTY HOSPITAL AND THE COMMUNITY BY:

- ✓ Improved proximity to the Emergency Department
- ✓ Increased reliability of the CT machine
- ✓ Quick identification of needed stroke intervention

DOUBLE YOUR IMPACT!

Dollar for dollar, your donation to the CT-Scan project will be matched up to \$25,000 by the Paulding County Hospital Foundation.

At this time, due to your generous donations the Paulding County Hospital Foundation has been able to fund the following projects at Paulding County Hospital:

2018 - \$12,700 to support Paulding County Hospital Women's Imaging Center and Mammography upgrades

2018 - \$800 to support Paulding County First Responders Training Facility Shelter

2019 - \$8,000 donated CT Scan machine upgrades

2020 - \$6,200 to Paulding County Hospital Family Care Rooms. The funds donated were used to furnish the rooms and make it more comfortable for family members while their loved ones receive end of life hospice care.

2021 - \$10,000 donated towards negative air flow units for the facility. Allowing additional protection for staff and patients with infectious diseases, including COVID.

I (we) would like to pledge to the PCHF CT-Scan project for PCH:

Name(s) making pledge: _____

\$10,000 \$5,000 \$1,000 \$500 \$250
\$100 \$50 Other Amount \$ _____
